Dear Parents & Students,

Warm Welcome to the New Academic Year 2017-18

I am excited and honoured to welcome each and every one of you to the beginning of a new school year at Novel International School. This school year will be a year of setting and reaching attainable goals, working harder and smarter and taking our school and student achievement to the next level of "GREATNESS". At NIS, we are dedicated to a student-centered program that promotes academic excellence through an enriched, rigorous inter-disciplinary curriculum. As a staff, we are here to support all of you, by any means necessary, to ensure our Students reach fullest academic potential. We look forward to working with you, our parents and the members of the community to provide a high-quality education that you all deserve.

In view of tremendous changes suggested by CBSE, New Delhi regarding with Teaching methodology, Examination and Student Enrichment Activities for 2017-18 for Grade VI - X , we have framed our Academic planner, Activities, Examinations accordingly specifying Examinations are made mandatory and imperative covering full syllabus for year end examination along with awarding marks in Note Books up keeping and submitting, Character counts, Attendance...etc. This year, you can look forward to encountering a highly intensive and challenging academic program that will push you to work beyond your limits for your wards. However, I am confident that all of you have the capacity and ability to meet our expectations and the demands of your new classes and teachers. Our goal is to ensure that all students become critical thinkers, active problem-solvers, inquisitive readers, diligent researchers and prolific writers and in short family loving good student. I wish our parents may prompt good practices in student from Home where parents are first teachers and indeed NIS will continue it as a second home to students. Let them learn, practice and live with value enriched good practice of Respect, Cleanliness, Punctuality, Honesty, Sharing & Caring, Helpful...etc and I am sure that Home & School will impart such exemplary practices that will be milestones in learning journey of our Students. We do all of this to prepare students for the demands of the real-world so they may become productive citizens, become our future leaders, and contribute and or give back something positive to the community.

I look forward to working with all of you and pushing you to all academic heights. On behalf of NIS, I would like to welcome again all of you and thank you for being a part of NIS school community where SUCCESS IS NOT AN OPTION.....BUT AN EXPECTATION. We are truly on the path to GREATNESS.

Yours truly,
