Date: 24-03-2019

Dear Parents & Students,

Welcome to Novel International School for the Academic session 2019-20.

It is quite indeed and happy to reiterate that NIS Jeddah always keep students' name with upholding the banner. Novel is not just school, but beyond that where Kids Matter is highly privileged and they are showcased and appreciated. We hope that you will gain a true sense of our learning environments, our philosophy and our warm and nurturing community as you steps into campus.

Knowing each child as a learner and supporting them through their educational journey at Novel International School is our passion. Our experienced educators prepare students for a rapidly changing future by helping them develop their skills, knowledge and enthusiasm for learning.

Our vision of education focuses on attaining the best academic results and on fostering the development of dynamic, considerate and responsible characters. This year, we frame Happiness Curriculum with Multiple Assessment methods in order to experience Joy of Learning through soft skill development. Our school curriculum with international look reflects Major subjects, Arts Culture, and Values & character development and we are sure that it would motivate both our teachers and our families. As a pilot stage, we have started to include AI, Product Design in upper primary classes in order to transform and equip our students for next Century Target skills.

Our school philosophy is as simple as it is challenging: Inspire each other and grow together and follow this year theme as **Innovative pedagogy including Active Learning & Experiential Learning**.

We see ourselves as a partner for our students and their families, who learn from each other in an atmosphere of trust and respect, who spur each other on, and motivate one another with the common goal of further development. We request parents to kindly go through Academic Manual and Student Diary regularly and keep in touch with teachers and also make visit to school for better understanding and keep refreshing our relationship and partnership. We seek your full support for giving us valid students data for Board Registration and ensuring students attendance, Regularity and Punctuality. Also let us together train and guide students towards betterment in Attitudes, Values and Etiquettes. Kindly visit our school Website, Facebook, Twitter, Instagram platforms for knowing latest updates of school activities & information. Our school is ever ready and stands on 24x7 Hours Service attending call for your requests and concerns.

Thanking you for support, love and partnership rendered so far and do keep trust that you would keep it ensuing years also.

Sincerely,

Principal
