Season's Greetings...!

Dear Novel School Whanau,

Welcome back to school! I hope you enjoyed this summer vacation filled with fun and exciting memories with your dear ones. We were thrilled to welcome all of you back to the second term of school year of learning and growing.

Personally, I am grateful and elated to continue this journey with you as your Principal. Over the past year, I have had a chance to meet many of you and your children, and look forward to continue building a strong relationship with all of you in the upcoming months. As we enter post summer holidays, I want to let you know that our staff will be engaging in conversations around having a growth mindset, both for themselves and all students. We believe that every person in this building should always be growing and learning. Despite obstacles that may arise, we must always believe in our ability to rise above challenges and come out stronger on the other end.

I want to personally request you to kindly share with us regarding with your concerns & issues that may be hurdles to the development of your ward. Also I underlined here that Attitudes, Punctuality, Work submission, appearing in Exams are key areas that you need to monitor at home, on continuous basis to facilitate child to pace and cope with routine learning content happening in school. I do advise you to go through school diary and students note book regularly and feel happy to contact us if you notice any discrepancies or false notes. I am happy to add here that second term will be showcased with students Starcome, Sports Meet, Scilore etc in order to give ample opportunities to children to present their talent, skills, apart from routine important day celebrations or competitions and Picnics. Kindly see School Diary and visit school website for latest updates.

Lastly, I thank all of you for being continuing with us amidst vulnerable situations.

I strongly guarantee that No tolerance policy shall be exercised in keeping Quality Service and Care and Safety regarding with students of our school. As always, please feel free to reach out with questions or concerns.

Thanking you

Mohammed Shafeeque PM
Principal
